

DEBORAH COMERFORD, BSN, RN, CNOR-(E), CASC, CLSS-HC

Ms. Comerford has over 30 years of experience in perioperative nursing and management, including 20+ years in the ASC setting. She has extensive experience in the design, construction, and daily operation of surgery centers. Over the last 15 years, she has worked on 25 ground-up ASC development projects around the country. Ms. Comerford is a principal in Life Safety Partners, a company dedicated to supporting and helping ASCs maintain life safety code compliance.

Debbie earned her BSN from Rutgers University, and obtained her CNOR in 2000, CASC credential in 2007, and earned her certification in Life Safety (CLSS-HC) in 2019. Ms. Comerford has been a surveyor for AAAHC since 2009.
