

LAURIE BROWN BSN, RN

Laurie Brown BSN, RN is currently the Chief Compliance Officer for American Vascular Associates with more than 17 years of leadership, clinical operation and healthcare experience. Her experience includes Ambulatory Surgery Center (ASC) and office-based lab clinical operations, state licensure surveys in various states, CMS ASC facility certification, compliance and accreditation surveys.

Clinical and leadership roles include Trauma ICU nurse, Interventional Radiology nurse, Nurse Preceptor, ASC Manager, Director of Clinical Operations and Compliance, and Chief Compliance Officer.

Laurie has also served on multi-state committee projects such as the Louisiana State Department of Health's Study workgroup regarding Bill HCR 70 "Potential Licensing of Endovascular Suites" and the Mississippi State Certificate of Need Ad Hoc Subcommittee on Digital Subtraction Angiography.
